Mild Laxative for Baby Free

The child of today is the parent of the future, and whether it grows up healthy and strong, or puny and weak, depends upon the intelligence of its parents, for most children are born into the world healthy, but thousands become feeble and weak between birth and the age of ten, when the prime cause of trouble is in the stomach. A baby that is digesting its food seldom cries and always looks cheerful; the little child whose stomach is good romps and plays and never whines; the growing child learns well at school and is eager for fun if its head is clear and its stomach light, and that means if it has no constipation.

The best and safest way to cure any irregularity of the stomach and bowels in children is by the use of Dr. Caldwell's Syrup Pepsin. This is a liquid laxative, wonderful in its effect as Mrs. John W. Dunham, Apple Creek, O., Mrs. H. L. Cullum, Plainville, Ind., and numerous others can testify who give it to their children with extraordinary results. A bottle only costs 50 cents or \$1 according to the size you want, and even one 50-cent bottle will do a wonderful amount of good in a family. It can be given to any member of the family in constipation, sour stomach, indigestion, torpid liver, dyspepsia, heartburn, sick headache and similar digestive troubles. It never gripes or strangles like pills, tablets, salts and powders, which should not be given to children, women or old folks.

If you have a child or other member of the family who needs, but has never used this grand laxative tonic, send your name and address to the doctor and a free trial bottle will be sent to your home. In this way you can find out what it will do without personal expense.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 509 Caldwell Bldg., Monticello, Ill.

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Prest., Buffalo, N. Y.

The greatest danger from influenza is of its resulting in pneumonia. This can be obviated by using Chamberlain's Cough Remedy, as it not only cures influenza but counteracts any tendency of the disease towards pneumonia. Sold by all dealers.

Safeguarding the Children.

To the public in the elementary schools of Kiel, Germany, the local railway company is distributing printed pamphlets bearing a series of hints for children crossing the roads. Among them are: "Keep to the right n walking on the pavement and do not stand at street corners. In crossing the road do so at right angle and not diagonally and at a spot where the road is narrowest."

The peculiar properties of Chamberlain's Cough Remedy have been thoroughly tested during epidemics of influenza, and when it was taken in time we have not heard of a single case of pneumonia. Sold by all dealers.
